PRODUCER TELEMARKETING ACKNOWLEDGEMENT

As part of Your contracting with Liberty Bankers Life Insurance Company and its Subsidiaries (“Company”), You are required to review and sign this Acknowledgement regarding telemarketing practices where a Company, Company service, or Company product might be mentioned or offered (including inbound calls from a lead vendor, texts, emails, faxes). All reference to “Seller” in this document means You, Your sub-producers, and Your lead vendor. “Call” means all attempted outbound telephone calls or texts, attempted telephone call transfers, and acceptance of telephone call transfers that involve or encourage the potential purchase of, or investment in, property, goods, or services.

Calls are subject to specific state and federal laws. Federal laws impose disclosure requirements, set permitted hours, and impose other conditions and restrictions. To the extent Seller engages in telemarketing Calls, or hires or permits others to do so on Seller’s behalf, Seller must be aware of, and strictly comply with, all federal telemarketing laws and states telemarketing laws related to the Call. For example, the Telephone Consumer Protection Act (“TCPA”) is the primary federal law that applies to Calls. The TCPA contains numerous restrictions on when, where, how, and to whom telemarketing Calls may be placed. The TCPA law and related regulations are complex. If Seller is unfamiliar with the TCPA, a good starting place is the Federal Communications Commission consumer website that can be found here: <https://www.fcc.gov/tags/telephone-consumer-protection-act-tcpa>. Please note that some states have additional consumer protections, if Seller is unfamiliar with state law, a good starting place is this compilation: <https://tcpa.mobi/state-do-not-call-list/> and this resource: <https://www.dnc.com/news/tags/state-laws>. However, Seller should also check the state Attorney General’s website for the telephone area code for the consumers who Seller attempts to contact (a good lead vendor will provide the consumer’s area code before transferring a Call).

Seller should **never**: (1) use an automatic telephone dialing system; (2) use a pre-recorded message; or (3) Call numbers on a Do-Not-Call (“DNC”) registry – there is a federal DNC registry, some states also have a DNC registry, and the Company has an internal DNC registry available to You on the Company producer portal (or you can request a copy from Compliance@LBIG.com). In some instances, Calls may be permissible if the person receiving the Call has given **prior express written consent**. However, it is Seller’s responsibility to verify the prior written consent before placing a Call, transferring a Call, or accepting a Call transfer.

The TCPA also contains rules regarding the time of day Calls may be made and number of rings allowed or required on a Call. For example, companies must let Calls ring for at least 15 seconds or 4 rings, and must prohibit Calls before 9:00 am or after 8:00 pm local time in the consumer’s location.

Seller must take complaints regarding marketing or unethical sales behavior seriously. You must investigate any complaints thoroughly, and, if a violation is discovered, terminate and, if necessary, take legal action against who is responsible for such violations.

By signing below, You hereby acknowledge, understand, and agree:

- As an independent contractor, it is Your sole and exclusive responsibility to ensure that Seller abides by all federal, state, and local laws, including telemarketing laws.
- Seller will ensure anyone who works for Seller understands and abides by these same rules.
- You and Your upline will indemnify and hold harmless the Liberty Bankers’ company that Seller is acting on behalf of for any and all legal claims related to Seller’s violation of consumer protection laws.
- Your contract may be terminated if Liberty Bankers becomes aware of Seller’s failure to comply.
