Please Retain the ***Ethics Code*** on page 4 for your reference and records.

Ethics Code

Fidelity Life Association, A Legal Reserve Life Insurance Company, strives to provide our customers with quality products and service. We also strive to maintain a zero tolerance regulatory compliance standard for the Company's employees, vendors and distributors. This Ethics Code for distributors (agents and general agents) serves as a guide that helps us to maintain a high standard of honesty, fairness, and integrity in our market conduct and is compatible with our more detailed Employee Ethics Code.

Market Conduct at Fidelity Life Association (FLA)

"Market conduct" in this Ethics Code refers to actions of our distributors when providing service to our customers. FLA maintains high customer service standards. Honesty, fairness, and integrity are characteristics that all distributors are expected to display when dealing with customers. FLA has developed this Ethics Code to help our distributors understand what type of behavior is expected of them.

Our distributors will conduct business on behalf of the Company with the highest standards of honesty and fairness and will recommend products and provide services to our customers which are suitable to their circumstances.

Our distributors will always strive to provide the most customer-focused sales process and service experience possible.

Our distributors will engage in fair competition, providing full and accurate disclosure of information to enable the most informed and appropriate decisions.

Our distributors will only use company approved advertising and sales materials that are clear as to purpose, and honest and fair as to content.

Our distributors will always provide a means for fair and expeditious handling of customer complaints and disputes.

FLA will maintain a system of supervision that is reasonably designed to achieve compliance with this Ethics Code as well as applicable state and federal laws. Our distributors are also expected to make efforts to ensure that each customer fits the profile of the market for which the product is designed.

To provide competent sales and service, our distributors must adhere to this Ethics Code. In addition, all distributors must stay abreast of FLA's products and their functions. All distributors must also be licensed or otherwise qualified under state law in every state within which they solicit business.

To maintain and enhance competition in the marketplace for our products, all distributors should ensure that, through education and action, they promote an awareness of the concept of a fair marketplace. Our distributors should not replace existing insurance policies without first providing the customer with the information he or she needs to make an informed decision about the replacement.

Market Conduct Violations

In order to resolve any complaints and disputes that may arise concerning the market conduct of our distributors, efforts should be made to identify, handle, and resolve all complaints fairly and objectively. All distributors who represent the Company should be provided with a copy of this FLA Ethics Code and acknowledge its receipt. FLA policies and procedures have also been developed for auditing and monitoring our general agents' and agents' market activities and sales practices. Appointments of distributors who fail to abide by requirements of the Code will be revoked.

All FLA distributors should comply with the Ethics Code at all times. Violation of this Code is considered serious and will be handled accordingly. Any violations of market conduct should be reported.

If you have any questions or need more information about market conduct at FLA, please contact our Corporate Counsel at (312) 379-2990.
