

**AUTHORIZATION REGARDING INTENTION TO OBTAIN
CONSUMER REPORT FOR CONTRACTING PURPOSES**

By signing below, you acknowledge and agree as follows:

- I voluntarily and fully authorize Tier One Insurance Company, and/or its subsidiaries, affiliates, other related entities, successors, and/or assigns (collectively, "Aflac") to obtain consumer reports and/or investigative consumer reports (as defined by applicable California state law) on me for purposes of evaluating my eligibility to contract with Aflac, as set forth in the Disclosure of Intention to Obtain Consumer Report for Contracting Purposes, the Additional State Disclosures Form, and/or the Additional Disclosures for California Applicants Form, which I received separately and signed to acknowledge my receipt and understanding;
- I voluntarily and fully authorize the release of all information necessary for Aflac to obtain consumer reports on me for contracting purposes as set forth in the Disclosure of Intention to Obtain Consumer Report for Contracting Purposes, the Additional State Disclosures Form, and/or the Additional Disclosures for California Applicants Form, including but not limited to criminal records, employment records, driving records, and educational records;
- I voluntarily and fully authorize Applicant Insight Inc., 5652 Meadowlane Street, New Port Richey, FL, 34652, 1-800-771-7703, to request information about me from various sources, which may include investigation into my education, work history, professional license and credentials, references, criminal record, lawsuits, driving record, credit history, and any other records maintained by public or private information sources.
- I further authorize any person or entity to provide information about me to Applicant Insight, and I authorize Applicant Insight to provide Aflac with one or more reports based on the information it gathers about me.
- I agree that if I am selected to contract with Aflac, Aflac is authorized by me, at any time during which I am under contract with Aflac, to obtain subsequent criminal background reports, driving records, or other consumer reports about me so as to update, renew, extend or evaluate my continued eligibility to contract with Aflac, or to consider me for other contracts, except where prohibited by applicable law;
- I understand and acknowledge that, if Aflac obtains credit history information on me, it will be used to evaluate whether I would present an unacceptable risk of theft or other dishonest behavior in my performance of the contract for which I am being considered; and
- I understand and acknowledge that Aflac may be required to share the consumer reports it obtains about me,

or the information contained therein, with appropriate third parties (including but not limited to staffing/placement company clients and vendor credentialing companies) for legitimate business purposes relating to my contractual engagement with Aflac (e.g., to place me in certain positions, work sites, etc.), and I expressly authorize Aflac to make such disclosures.

- I hereby authorize Aflac or its designated representative to electronically send me any and all notices relating to a consumer report obtained about me, as well as any copies of such consumer reports, by emailing same to the email address I provided Aflac as part of my application to contract with Aflac, and I agree that delivery by this method shall be sufficient and that no further delivery via the U.S. Mail shall be required.
- I agree that my electronic signature on this Authorization, as well as on any other documents I sign in connection with my efforts to contract with, or continue to contract with, Aflac (including, without limitation, the Disclosure of Intention to Obtain Consumer Report for Contracting Purposes, the Additional State Disclosures Form, and the Additional Disclosures for California Applicants Form) shall be the legally binding equivalent of my handwritten signature.

Applicant's Signature: _____

Printed Name: _____

Date: _____

Coverage is underwritten by Tier One Insurance Company, a subsidiary of Aflac.
